

Whiskey House Weddings

Introduction

Thank you for your interest in Whiskey House Weddings. Established seven years ago Whiskey House offers an extensive range of beautiful, contemporary, entirely handcrafted stationery. Our ranges include fully co-ordinated Wedding and Evening Invitations, Acceptance and Thank You Cards, Place Cards, Menus and Order of Service, Guest Books, Albums and Keepsake Boxes.

Invitations are made using 100% recycled textured card in soft white or ivory. All invitations come with fully printed inserts and satin ribbon markers. All stationery comes with a co-ordinating envelope.

As all our stationery is individually handmade we are able to adapt our designs to suit your particular colour requirements. Our flexible service means you can choose a standard text layout or we can help you plan your own. Just ask us.

The textural nature of our designs mean it can be difficult to reproduce accurate images in a brochure, so to help you make your decision we offer a sample service at a cost of £5 for 3 cards

Ordering

Ordering is easy. Download an order form. Once your order has been received we will send you proof designs to sign. This is included in the price and can be altered as many times as you feel necessary. When you are happy with your stationery we will require a 25 % (non-refundable) deposit.

Delivery is 6-8 weeks from approval. Payment of balance is required before dispatch.

Sample Request

Our sample service costs £5 for 3 cards, this will be deducted automatically should you then choose to place an order.

Please indicate which sample designs you require.

Please make cheques payable to N.J. Gregg
